

*World-class orthopedics.
Closer than you think.*

At ECHN, we help patients with sports-related injuries regain their independence and get back to the life they love. Our 10 board-certified orthopedic surgeons are performing minimally invasive surgical procedures at Manchester Memorial Hospital and Rockville General Hospital. We also offer the most advanced diagnostic imaging and specialized rehabilitation programs at each of our six convenient outpatient centers. All right here at home, east of the river.

Healthier together.
