

Welcome to  
Eastern Connecticut  
Medical Professionals

# High quality primary and specialty care, right here at home.

At ECHN, we continue to innovate, invest and expand to provide our patients with better access to the highest quality care, right here at home.

Eastern Connecticut Medical Professionals is part of that effort. Staffed by some of the region's most skilled physicians, nurses, surgeons and specialists, ECMP delivers a full range of health care services, including primary and specialty care at 15 convenient locations, east of the river. As part of the greater ECHN network, patients also have access to the combined experience and resources of ECHN's two nationally recognized hospitals, Manchester Memorial and Rockville General, as well as hundreds of other providers.

Eastern Connecticut Medical Professionals – just one more way you and ECHN are Healthier together.
